An International History...

The ACHAFR-NA is the North American Chapter of the International Antique, Classic and Historic Automobile World Fellowship of Rotarians (ACHAFR). This Fellowship, originally called the Rotary Retro Automobile Fellowship (RRAF), is an international association of Rotarians dedicated to promoting the preservation and utilization of antique, classic and historic automobiles as an opportunity for fellowship and service.

ACHAFR combines an adherence to the principles of Rotary with a love of cars and the history of automotive technology and use this shared interest as an opportunity to advance and foster the object of Rotary. Its objectives are:

1. To advance international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideals of service.
2. To promote Rotary fellowship through touring, rallying, exhibiting and other activities involving antique and classic cars.
3. To promote high standards of stewardship of our technological heritage and abide by safe and considerate driving standards
4. To support Rotary service projects and opportunities when and wherever feasible

The Fellowship was originally founded in 1988 by Brian Henry of the Rotary Club of Wagga Wagga, with the UK Chapter being formed in the late eighties with other Chapters existing in Australia, USA, New Zealand, France, the Netherlands, Switzerland, Belgium and Germany.

Since 2004 the ACHAFR have organized International Events in France; Denmark the USA and Luxembourg. In 2008 the RRAF promoted its first International Tour in Normandy France with entries coming from the UK, the Netherlands, Germany, Denmark and Belgium. The RRAF also organized a similar Tour in the UK that coincided with the 2009 RI Convention. In 2010 the Netherland chapter has a fantastic "Windmill Tour" and the North American Chapter had the "Ride Along Tour" from Tampa Florida to Montreal Canada to the 2010 Rotary International Convention.

ACHAFR-NA members are able to keep in touch with all local Rotary Club Motoring events via the use of the Fellowship's own website – www.achafr.com as well as receiving an e-newsletter. And you are automatically a member of the International Fellowship when you join the North American Chapter.

This is a great way to combine the camaraderie of Rotary International with one of the most popular sports/hobbies in the world.

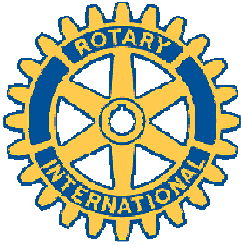

As a member of the North American Chapter of ACHAFR you will receive a limited edition Rotary International ACHAFR radiator grill badge, a directory of fellow members, a newsletter filled with events around the country and the world, opportunity to advertise to buy or sell those "dream" cars.

If you have an interest in collectible cars why not come and join us –
Call Joanne Pistorius – (813) 714-1019 for more details.
